PROPOSAL new from this round

WHAT WE STAND FOR

Ein Ort lebt nicht von seinen Wänden.
Sondern von den Menschen darin.

FIVE SENTENCES

1. Mehr Zeit. Mehr Beratung. Mehr Persönlichkeit.
2. We sell clothes. We love the stories behind them more.
3. Fewer, better pieces that stay for years.
4. Nothing here has to be quick. Stay for a coffee.
5. Classic and modern are not opposites. It's about balance.

OUR WORDS

welcoming · precise · warm · refined · conversational · textured · cinematic · effortless

> From your word list. "Thoughtful" and "masculine" are left out: the first is close to "precise", and "masculine" reads narrower than the people in the posts.

KEEP

- Real people: the tailor at work, customers, the team at events
- The shopfront with arches and olive awnings, our signature
- Event coverage that shows we belong to the city

FIX

- One look for all graphics: olive, cream, brass; two typefaces
- Bio: say Freiburg and Konviktstraße, add a booking line, fix "and Sa"
- Pin one post that explains the Maßtermin

FOR KARL AND JULIEN

Mark where we stand

Five minutes, a pen, one dot per line. Every later decision on posts, fonts and events follows from these answers.

THEN, IN ONE SENTENCE EACH

1. What should people **feel** when they see our page?
2. Which three emotions belong to Colorful?
3. Which three words describe the atmosphere in the store?

Elegant	○	○	○	○	○	Approachable
Quiet luxury	○	○	○	○	○	Playful menswear
Editorial	○	○	○	○	○	Community
Cinematic	○	○	○	○	○	Informative
European gentleman	○	○	○	○	○	Contemporary creative
Bespoke first	○	○	○	○	○	Ready-to-wear first
German	○	○	○	○	○	English

> The last two lines are new. They decide what the grid sells and which language captions lead with.

WHICH FONT FOR WHICH STORY

Use	Font	Example
Labels, series names	Wide caps (logo)	FREIBURG GENTLEMAN
Titles, quotes	Condensed serif	Vom Maß zum Anzug
Info: hours, prices	Clean sans	Di–Fr 11–18 · Sa 10–18
Story stickers	Instagram "Classic"	closest to our sans

> Fonts are identified by eye from the website. Ask the web designer for the real files before printing anything.

Konviktstraße 27 · Di–Fr 11–18, Sa 10–18
↓ Maßtermin buchen

B · TWO FLOORS

Zwei Stockwerke Menswear in Freiburg.
Oben: Streetwear & Kaffee. Unten: Maß.
Konviktstraße 27 · Di–Fr 11–18, Sa 10–18

C · THE LINE

You know your style.
We know the cut.
Maßanzüge & Menswear · Freiburg
Konviktstraße 27 · Di–Fr 11–18, Sa 10–18
↓ Maßtermin buchen

> Version C is your line "you know your coherency, we know the code", tightened. Instagram allows 150 characters; all three fit.

> The long website text ("Bist du es leid…") stays on the website. It's too long for a bio, but makes a good pinned carousel.

HOW THE PROFILE IS BUILT

Street, piece, *person*

Three columns that never change: the street and the store on the left, a piece in the middle, a person on the right. Every third row, the middle post is an olive card explaining one step of the Maßtermin.

RULES

- Post in threes: person, then piece, then place
- Export 1080 × 1440 (3:4), the size the grid shows
- No text on photos; text lives on the olive cards only
- Reels can run outside the grid, in the Reels tab

> Four more grid options, with phone mockups: claude.ai/artifact/LgVNYFAGvAi4hBbJ2jvirT

SHORT-FORM VIDEO

Frag Karl *one question, one answer*

QUESTIONS

- Did you ever consider other names for the store?
- When did you decide to open a menswear studio?
- An etiquette rule nobody talks about enough
- Karl's colour formulas
- Why does a made-to-measure suit take time?
- How do you greet someone properly at CN?

SENTENCE STARTERS

- „Ich beginne meinen Tag mit …“
- „Manche kommen zu uns, weil …“
- „Manchmal braucht man nur …“
- „Ich will über diese Jacke reden.“ Close-ups, worn shots, a fun fact at the end

B-ROLL TO FILM ONCE, USE OFTEN

TUTORIALS AND STYLE KNOWLEDGE

Stilwissen *things men actually ask*

HOW-TO

- Fold a pocket square, three ways
- Tie a tie, slowly
- Roll your sleeves
- Make a simple outfit look elegant
- Same outfit, before and after: jacket, tuck, accessories

MISTAKES AND FORMULAS

- 3 mistakes men make with suits
- The mistake most men make when buying a suit
- The colour combination that almost always works
- How to dress for work
- Paspeltasche vs. Pattentasche: what's the difference?

CAROUSEL TEXT, READY TO POST

Warum manche Männer immer elegant aussehen.

Mit Trends hat es selten zu tun. Die meisten gut gekleideten Männer

- kennen ihre Proportionen,
- wiederholen, was ihnen steht,
- kaufen langsamer,
- achten mehr auf Passform als auf Logos.

CINEMATIC SHORT FILMS

Six reels *with a story*

DER KAFFEE-SPAZIERGANG

A man leaves CN with a coffee and headphones, takes a sip and starts to dance through the old town. Last shot: back at the door, a shrug, he walks in again.

WO IST DAS COLORFUL?

Bar-vibe street interviews. "Hey, where can I find Colorful Neighbourhood?" "Let's meet at Colorful." "Which neighbourhood?" "Colorful, of course." Handshake into the camera.

DAS SCHAUFENSTER

A jeep drives slowly past the window. Inside, the team sits like a still life. Hold the shot, no cut.

DAUERT EINE WOCHE

A client puts a garment on the counter and says what he needs. Karl: "Eine Woche." "Warum so lange?" Karl starts to explain, and we see the craft.

SCHAU DIR DIE SCHUHE AN

Two well-dressed men walk through Freiburg, commenting on passers-by: "Wait, stop. You see that outfit? How the shirt falls?" Ends on our door.

MIT OBST, BASTA

A gentleman leaves the store with fruit, plays it cool. Close-ups, side shots, a confident "basta" at the end.

Film locations: Straßenbahn, Bächle, Dreisam, Münsterplatz. Ask Mario about the GoPro and collect two reference videos for the camera style before the first shoot.

QUICK FORMATS, LOW EFFORT

Formats from *your reference videos*

Format	How	CN version
Jacket swap	Camera fixed, model doesn't move, jackets change on the cut	Five jackets from the rail in 10 seconds
Move, freeze	Location in motion, people freeze, move again	Konviktstraße on a Saturday
BTS vs. result	Split: making of, then the finished look	Measuring → finished suit
Word flash	Fast cuts with one word each: Dream, Plan, Build, Try, Win	Maß, Stoff, Schnitt, Anprobe, Fertig
Question chain	One asks, the next answers, says his name, asks the next	Customers at an afterwork event
What we are	"People think we are …, but we are …" with images and words	Gemeinschaft, Gemütlichkeit, Freude, ruhige Eleganz
Cool guy vs. gentleman vs. cowboy	Same person, three looks	All three from our rails
Phone call	The phone rings: "Ja, im Juni ist noch Zeit."	Wedding-suit season teaser

> More ideas from the notes for later: an illusion outfit change, a music video in CN clothes, "Sultan Swing", and a slow slideshow of the best CN images.

DAILY, INTERACTIVE

Stories that *start conversations*

WEM GEHÖRT …? (TEAM GUESSING GAME)

- Wem gehört diese Kaffeetasse?
- Wessen Schreibtisch ist das?
- Wer trägt dieses Outfit heute?
- Wem gehören diese Schuhe?
- Wer hat heute die Playlist übernommen?
- Wem gehört diese Sonnenbrille?

> Answer the next day with the person's face. It doubles as "Meet the team".

THIS OR THAT

Espresso oder Cappuccino · Florenz oder Kopenhagen · Leinen oder Denim · Loafer oder Sneaker · Hemd oder T-Shirt · Schwarz oder Creme · Wenige gute Stücke oder mehr Abwechslung · Schnitt oder Qualität · Weißes Hemd oder dunkles T-Shirt · Farben oder Texturen

GAMES

- **Find the bag:** a busy street photo with one CN bag hidden in it
- **CN crossword:** poster-style, words from the store; answers in the next story
- **Farbe des Tages:** "What's your favourite colour today?" with a slider
- **Bubble captions:** speech bubbles in the image, like the "Woran glaubst du?" post

STORE AS A PLACE TO BE

Events *for the neighbourhood*

EVENT	IDEA	WHEN
Afterwork	DJ behind the counter, drinks, open till late	Monthly, Friday
Pizza night	After-event pizza in CN-branded boxes, which then show up in people's stories	After the first afterwork
Dinner	Small seated dinner for regular clients, in the store	Twice a year
Pop-up	Swap a corner with a similar Freiburg store for a month	Spring
Fashion & Food	Keep it; film it as a series, not single posts	September
Adventsabend	Late opening, mulled wine, gift advice	December

Pop-up partner: list three Freiburg stores with a similar crowd before asking anyone. Dates are suggestions.

GROW THROUGH OTHER PEOPLE'S FOLLOWERS

Neighbours *and collabs*

NEIGHBOUR POSTS

One neighbour per month: the massage place, the café, the bakery, the postman. One slide each in a carousel, or a whole post. Posted as an Instagram Collab, so it appears on both profiles.

> Plan which neighbour, which date, which post format in one list.

PEOPLE WE ALREADY KNOW

- Carmelo, the postman: a shoot with his post bag or DHL van (ask him first)
- Davide: the GoPro "Let's meet at CN" video
- Gallia Knit Project: keep it as a series
- Brands we carry: repost their content with our styling

BEFORE EVERY COLLAB

- [ ] Collab request sent in Instagram, not just a tag
- [ ] Who posts, who films, who edits
- [ ] Both sides approve the caption
- [ ] Use Instagram's paid-partnership label if money or goods change hands

AKTIONSTAGE

Bring friends, *get a discount*

TAG & ESPRESSO

„Markiere deine zwei Lieblingsmenschen, um bei einem Espresso über Mode zu reden. Folgt uns, kommt zu dritt vorbei: Espresso aufs Haus und 15 % auf euren nächsten Einkauf."

OTHER TAGS

- Tag someone who always compliments your clothes
- Tag your best-dressed friend
- Friend follows us and comes with you: 10 % each

DECIDE BEFORE POSTING

Which action	One per month, not more
How to win	Show the story in store, no lottery needed
Who decides	Karl, or whoever is at the counter
Prize	Discount, espresso; or a partner like Akila
Goal	New followers who visit

> If it becomes a real giveaway with a draw, German law needs written Teilnahmebedingungen and Instagram needs a note that it isn't involved. Check before the first one.

INSIDE CN

Small rituals, *big memory*

IN THE STORE

- **Karl's office** at the back becomes a fitting and meeting room
- **Origami fortunes:** Karl folds one per client with a small message inside
- **The greeting:** one way to welcome everyone at the door
- **CN boxes and bags** that people want to photograph

THINGS TO MAKE

- **"Neighbours" shirt:** a shirt printed with a photo of someone wearing the same shirt
- **Neighbour ID:** a card styled like a driving licence for regulars, with photo, "Nachbar seit" and favourite piece
- **Poster crossword** for the window

ONLINE CATALOGUE?

Start small. **1.** An "In Stock" highlight with prices, reserve by DM. **2.** A simple catalogue page on the website. **3.** Only then a Meta product catalogue, so posts can tag products that link to the website. Each step shows whether people actually buy before you spend more.

FIXING THE RECURRING PROBLEMS

Less chaos, *fewer files*

"TOO MANY FILES ON THE CN PHONE"

- One work phone, one shared folder
- Folders: `2026-11 / Serie / Rohmaterial · Fertig`
- Delete raw clips after posting; keep finals only
- Name files `JJJJ-MM-TT_serie_thema`

"DIFFERENT OPINIONS"

- A 30-minute content meeting once a month
- Plan the month there, then don't re-discuss single posts
- One person signs off each post: Karl for bespoke, Julien for the rest (to agree)
- Tag Karl in posts: agree once, then always

KIT

- GoPro from Mario; phone on a small tripod
- Lapel mic: clip it to the placket, between the second and third button, or under the collar
- Videos without voice-over, so Karl can record voices later
- Mark AI-made images as such, or replace them (CN Uniforms site)

EXAMPLE MONTH · NOVEMBER

A realistic *week*

DAY	WEEK 1	WEEK 2	WEEK 3	WEEK 4

> About 4 grid posts and 2 Reels a week. If it's too much, drop the Wednesday slot first; keep Monday and Friday.

- How do we promote the books? (Which books, and who sells them?)
- "This doll or that doll": what was the idea?
- "One year at Colorful" post: whose anniversary, which date?
- Which partner for prizes: Akila or another?

Wir wollten nie einen Ort schaffen, an dem man möglichst schnell wieder hinausgeht.
